Trusted by Industry

...FLEXIBLE APPROACH...

Instructor was able to work around rig operations and had a flexible approach to course delivery and crew shift patterns.

...EFFECTIVE & COMPETENT...

Very good knowledge and all trainees found him to be an effective and competent trainer.

...100% HIT RATE...

Really happy yet again - Instructor managed a 100% hit-rate and was able to carry out all he was contracted to do and more.

The UK's biggest energy sector training provider.
